

HOW TOO:

TRANSFERS

How Too TRANSFER a Firearm in too PLINKERS from another seller.

If you found a firearm at another location for example from a gun shop out of New Mexico, you can buy it from them and have it sent to PLINKERS as a TRANSFER.

First you contact the seller of the firearm you want to buy, make arrangements for payment and shipping of that firearm. Have the SELLER contact PLINKERS so I can email a copy of my FFL and get a copy of the sellers FFL (before it ships).

When your firearm arrives here, I will contact you so you can come here to fill out a 4473 (background Check). Upon a return of **PROCEED** (this usually takes 15 Min) and with a copy of the sellers FFI, I will then be able release the firearm to you. I charge \$35.00 for the TRANSFER. ***Any firearm left over 30 days will be considered abandoned and will become the property of PLINKERS at no charge.***

If the background checks comes back as a **DELAY** we will hold the firearm in a safe place until we get an update of **PROCEED** of for 4 business days excluding holidays and weekends. Then we will contact you to pick up your firearm, and pay the \$35.00 TRANSFER fee. ***Any firearm left over 30 days will be considered abandoned and will become the property of PLINKERS at no charge.***

If the background comes back as a **DENY**, YOU will be responsible for the cost of repackaging and shipping the firearm back to the SELLER and the \$35.00 TRANSFER fee. **WE HAVE NO CONTROL OVER YOUR BACKGROUND CHECK STATUS.** If you refuse to pay the above charges or the seller refuses to take the firearm back, the firearm will remain the property of PLINKERS at NO CHARGE to PLINKERS. We will NOT be responsible for any costs associated with the purchase of the firearm. **You must get any reimbursement from your seller.** ***Any firearm left over 30 days will be considered abandoned and will become the property of PLINKERS at no charge.***
